Dear potential participant,

Following the success of the first of its kind three-day **International Kinetic Art Exhibit and Symposium**, February 8–10, 2013 the City of Boynton Beach Arts Commission Invites you and your company to participate in the **2015 International Kinetic Art Exhibit and Symposium**.

Our carefully planned Symposium will provide the most engaging, educational, and moving experience for our visitors, internationally recognized Kinetic Artists, and participants. We will **market and promote** the event through International, regional, and Local media as well as through our partners and sponsors, delivering unique targeted awareness of your company or product. 2 million impressions were documented for the 2013 Symposium.

A key component for the 2015 International Kinetic Art and Symposium are the **vendors**. We are actively seeking vendors to display their products and services in the City of Boynton Beach, the gateway to affluent Palm Beach County on Florida's tropical Southeast coast. Vendor spaces will include:

- Air-conditioned interior spaces
- Introductory pricing starting at **only \$199.00**
- Booths sizes starting at 8'x10'
- 1 – 6'x2.5' table and 2 chairs
- Marketing, advertising and promotion included in the Symposium program, web site, press releases to the media and event signage.

If you desire more exposure for your products or services, an exceptional **sponsorship package** is available for advertising in the 2015 International Kinetic Art Exhibit and Symposium. A booth space is included at no additional charge.

A limited number of booths are available for products and services that relate to Kinetic Art. Examples of **vendor types** are as follows:

- **Green Technology products or services** such as solar panels, LED lighting, mechanical gears and mechanisms, ball bearing products, water cycling systems, wind generating products, robotic components or products, etc.
- **Artists made kinetic art.** Affordable kinetic artworks such as table top pieces, mobiles, stables, kinetic garden artwork, kinetic games and toys, kinetic jewelry, etc.
- **Art Galleries** representing Kinetic artwork and artists
- **Video and film companies** that produce Kinetic Art videos, products and services
- **Fabrication and Engineering companies** that assist in the building of Kinetic Art
- **Museums and Cultural Organizations** that support Kinetic Art

Through the **educational partners** and an interdisciplinary education program, students will create, fabricate, and feature a functioning SolART Kinetic project for the 2015 Symposium. Our **International Kinetic**

artists, presenters and entertainers will deliver exciting, informative and educational Symposium programming. An engaging **Kinetic Art exhibit** placed throughout the City's Cultural District will highlight the various forms of Kinetic Art. For **more details** on the **2015 International Kinetic Art Exhibit and Symposium** please visit our website at www.IntlKineticArtEvent.org.

The 2015 International Kinetic Art Exhibit and Symposium's educational, exhibit and programming **sponsors and partners** for this event include City of Boynton Beach Community Redevelopment Agency, City of Boynton Art in Public Places, International Kinetic Art Organization, the Art & Science Collaborative, International Sculpture Center just to name a few. Additional sponsors and partners are on coming on board and invite you to join them.

You will find an attached **vendor registration form** to complete and register your company in the **2015 International Kinetic Art Exhibit and Symposium**. We will promptly address any additional questions you may have by either phone or email contact. Booth space will be available first come first served so reserve **today**.

Thank you for your interest in the **2015 International Kinetic Art Exhibit and Symposium**. We look forward to your participation in this significant event.

Warm regards,
